

Practical Programming In C

Menu

More Info

Calendar

LEC #: 1
TOPICS: Introduction. Writing, compiling, and debugging C programs. Hello world.
ASSIGNMENTS: Problem set 1 out
LABS AND PROJECTS: Project 1 out Final project out
LEC #: 2
TOPICS: Variables and datatypes, operators.
ASSIGNMENTS: Problem set 1 due Problem set 2 out
LABS AND PROJECTS:
LEC #: 3
TOPICS: Control flow. Functions and modular programming. Variable scope. Static and global variables.
ASSIGNMENTS: Problem set 2 due Problem set 3 out
LABS AND PROJECTS: Lab 1: Game of Life
LEC #: 4
TOPICS: More control flow. Input and output.
ASSIGNMENTS:
LABS AND PROJECTS:
LEC #: 5
TOPICS: Pointers and memory addressing. Arrays and pointer arithmetic. Strings. Searching and sorting algorithms.
ASSIGNMENTS: Problem set 3 due Problem set 4 out
LABS AND PROJECTS:

LEC #: 6
TOPICS: User-defined datatypes, structs, unions, bitfields. Memory allocation. Linked lists, binary trees.
ASSIGNMENTS: Problem set 4 due Problem set 5 out
LABS AND PROJECTS: Project 1 due Project 2 out
LEC #: 7
TOPICS: Pointers to pointers, pointer and string arrays, multidimensional arrays. Stacks and queues.
ASSIGNMENTS: Problem set 5 due Problem set 6 out
LABS AND PROJECTS: Lab 2: Data compression
LEC #: 8
TOPICS: Void and function pointers. Hash tables.
ASSIGNMENTS:
LABS AND PROJECTS:
LEC #: 9
TOPICS: External libraries. B-trees, priority queues.
ASSIGNMENTS: Problem set 6 due Problem set 7 out
LABS AND PROJECTS: Final project proposal due
LEC #: 10
TOPICS: C standard library: stdio.h, ctype.h, stdlib.h, assert.h, stdarg.h, time.h
ASSIGNMENTS: Problem set 7 due
LABS AND PROJECTS:
LEC #: 11
TOPICS: Dynamic memory allocation, malloc and valgrind, garbage collection.
ASSIGNMENTS:
LABS AND PROJECTS:
LEC #: 12
TOPICS: Multithreading and concurrency.
ASSIGNMENTS:
LABS AND PROJECTS: Lab 3: Final project
LEC #: 13
TOPICS: Multithreaded programming. Sockets and asynchronous I/O.
ASSIGNMENTS:
LABS AND PROJECTS:

LEC #: 14
TOPICS: Linux inter process communication.
ASSIGNMENTS:
LABS AND PROJECTS: Final project due
